

REMARKS

Applicants file an RCE and reply to the Advisory Action dated June 28, 2010, and further reply to the final Office Action dated April 19, 2010. Claims 1-3, 5-7, 9-10, 12-14, and 18-20 were pending in the application. Applicants add new claims 21-26. Support for the new claims may be found in the originally-filed specification, claims, and figures. No new matter has been introduced by the new claims. Reconsideration of this application is respectfully requested.

Applicants hereby incorporate the previous comments and amendments from Applicants' Reply to the Final Office Action filed on June 11, 2010. Applicants assert that the same arguments differentiate the pending claims and the new claims from the references cited in the Final Office Action. Moreover, new claims 21-26 variously depend from independent claims 1, 5 and 6, so Applicants assert that new claims 21-26 are differentiated from the cited references for the same reasons as independent claims 1, 5 and 6, in addition to their own respective features.

In view of the above remarks and amendments, Applicants respectfully submit that all pending claims properly set forth that which Applicants regard as their invention and are allowable over the cited references. Accordingly, Applicants respectfully request allowance of the pending claims. The Examiner is invited to telephone the undersigned at the Examiner's convenience, if that would help further prosecution of the subject Application. Applicants authorize and respectfully request that any fees due be charged to Deposit Account No. 19-2814.

Respectfully submitted,

Howard I. Sobelman, Reg. No. 39,038
